

BCPSone Basics

What is BCPS One?

BCPS One is a digital ecosystem made up of many connected electronic systems that contain teaching, learning, and reporting resources for students, parents, teachers and administrators. BCPS One allows parents the opportunity to be engaged in their student's education by providing direct access to student information and progress.

Who uses BCPS One?

BCPS parents, students, and staff all have access to BCPS One. To access BCPS One, parents must first create a myBCPS account by visiting <https://mybcps.bcps.org/> and adding a student using the parent verification code distributed by the school. Visit <https://bcpsone.bcps.org/support/faq.aspx> for answers to more BCPS One (FAQs) frequently asked questions.

When can you begin using BCPS One?

As soon as parents have created a myBCPS account and added a student, they will have anytime, anywhere access to BCPS One.

Why should you create an account?

BCPS One offers 24/7 access to student information and progress all in one convenient location. It also provides opportunities for maintaining communication with teachers throughout the school year. Check out the "Digital Content" and "Instructional Tools" pages to view resources that your student can access to continue their learning at home.
