CALL 211 UNITED WAY

For the millions of Americans needing help every day – from locating financial assistance during a family crisis, to finding adequate care for an aging parent, to searching for the highest-quality child care – 2-1-1 is an easy-to-remember number connecting them quickly to essential community resources.

SHARE Food Network is an amazing and unique program that is open to everyone. SHARE distributes high quality affordable and nutritious food as a way to build community and strengthen families. Whether you would like to save money on groceries, volunteer in the community, or promote health and wellness, it's worth getting involved with SHARE!

Established in 1990, the SHARE Food Network provides approximately 13,500 food packages each month. By combining buying power and volunteerism, SHARE is able to offer quality foods and substantial savings to its participants.

Organized through 320 churches and community groups, participants perform two hours of volunteer service and pay \$20.00 monthly to purchase groceries worth approximately \$40.00 - \$45.00.

People are empowered through SHARE (**Self Help And Resource Exchange**) to stretch their family's food budget, access information on health and nutrition, and develop partnerships to prevent hunger in communities
